

ENVISAGE PROMOTIONS - FOR ALL YOUR PROMOTIONAL NEEDS

# WHAT'S IN THIS ISSUE...

## Welcome to our latest newsletter

In this issue, we're talking everything magic!

It's no surprise that Santa looks set to be very busy, as we have a record number of bookings this year, but we're also delighted that Envisage Promotions has been chosen to supply all supporting teams at the Disney 100 touring exhibition, which is currently at ExCel as part of its UK's leg. Running until 2024, it's a fabulous booking to have received and all staff involved are helping to spread the magic!

# We're all ears at Disney 100: The Exhibition at ExCel

by Nichola Clydesdale

Whether it's our approach to work that 'in every job that must be done, there is an element of fun', or the 'Bibbidi-Bobbidi-Boo' magic that our staff continually spread, Envisage Promotions was 'all ears' when we were recently asked to supply staff for none other than the new Disney 100 exhibition!

It's the largest exhibition that the Walt Disney Archives has ever

created, and has recently opened at London's ExCel, as part of its European tour.

Running until 2024, this 20,000 sq. ft. exhibition opened its doors in mid

October and features original costumes and artefacts, along with unique interactive installations, allowing visitors to take a nostalgic journey through 100 years of The Walt Disney Company.

A RECORD NUMBER OF SANTA BOOKINGS!

# Have you called Lapland yet to secure your Santa booking?

by Nichola Clydesdale

Much like every year, the Envisage phones lines have been on speed dial to the North Pole since late Summer, as we help endless customers and clients to secure their slot with the guy in the big red suit!

In fact, this year has seen an all time record number of bookings, and many of our staff know Santa's number off by heart!

Our Santa's cover the entire UK, and

are frequently employed to spread their Father Christmas magic in shopping and garden centre Grottos, established high street stores like John Lewis and Next, make school lessons fun with an unexpected visit to the classroom, attend Christmas light switch ons, and can even create quite a stir joining staff at the office

Christmas party!

Arriving in a plush red suit, all our Santa's are DBS checked, and whilst we only have very limited weekend availability for Christmas 2023, there are still a number of weekday dates still available, offered at discounted weekday rates.

# 'The Great Commute' raised over £5,000!

by Nichola Clydesdale

When team member George Kelly and two friends decided to set themselves a challenge, they certainly didn't do it by halves, as they decided to walk from Northampton to Chippenham for a 130-mile monster walk titled 'The Great Commute!'

Back at the beginning of October, the three friends set out for a five day trek, hoping to raise a sizeable amount for their three chosen charities, The Haemophilia Society, The Ruth Strauss Foundation and

Oddballs, a fantastic charity aiming to raise awareness and support those diagnosed with testicular cancer.

With over £1,000 each day being raised, collectively the three young men raised a whopping £5,105, split across three charities, with EPOS

having kindly sponsored them on their journey as well.

Asked whether they would do it again, George replied "of course we would, just as long as we've time to dry out a little, and maybe we'd pick a slightly warmer month!"

*Collectively, the three friends raised a whopping £5,105, which is being split equally across their three chosen charities.*

## What we've been up to recently...

### Our office staff have a fun night out!

Team building activities are such great ways to keep spirits high and ready for a busy few months, especially with the Christmas season fast approaching.

Lastly, huge congratulations to...
