Dog Rescue

Fund Raising in April

by Jaden Clydesdale

At Envisage, we're passionate about supporting animal welfare, and in the spirit of National Pet Day on April 11th, we're extending our efforts to support not just one, but three incredible charities throughout the entire month of April.

During the month, we have a variety of activities planned to raise funds and awareness for East Midlands Dog Rescue, Paw Prints Dog Rescue, and Cats Protection Charities.

From cake sales to game days, dress-up competitions to sponsored walks, there's something for everyone to get involved in and show their support for these deserving causes.

One of the highlights of our fundraising efforts is a sold-out pub quiz, where teams will battle it out for the title of quiz champions while raising money for our chosen charities. Additionally, for every booking made with Envisage in April, we'll be donating £10 for each one.

This means that every customer will also contribute to our fundraising efforts.

We're excited to come together as a team and make a positive impact on the lives of animals in need. With the support of our community and the dedication of our team, we're confident that we can make a real difference for these fantastic charities.
