Brand Ambassadors at Open de France

This year, we proudly contributed to the success of the Open de France. Our dedicated team of six brand ambassadors worked tirelessly each day to ensure the event ran smoothly and provided outstanding service.

They managed engaging golf simulator stations, allowing visitors to test their skills in a fun, competitive setting. Their efforts created a welcoming atmosphere and ensured all equipment operated seamlessly across the four days.

We're incredibly proud of their hard work and look forward to supporting more events like this in the future.

At Envisage Agency, we brought Halloween magic to life at Foxes Farm, using professional actors to deliver a unique, family-friendly experience.

Halloween is all about creating chills, thrills, and unforgettable moments, and our team delivered exactly that. Our actors, in spine-tingling costumes, mingled throughout the event—from wandering a pumpkin patch to posing for family photos or offering light-hearted scares in a maze.

They became the heart of the festivities, tailoring each interaction to fit visitors' preferences, whether that was a quick scare or a friendly wave.

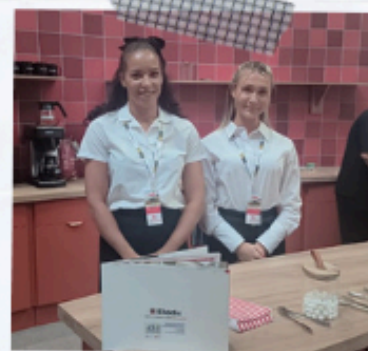

Imagine Halloween characters who aren't just in costume but fully embody their roles.

Our actors don't just dress up—they live the part! They create an atmosphere that's spooky yet family-friendly, striking the perfect balance. Our actors are ideal for family events, where you want a playful, memorable Halloween without intense scares.

Let Envisage bring excitement to your next event and create memories your guests will cherish.
