World Cup Sweepstake Fun

Congratulations to Spain on winning the World Cup!

Our office sweepstake brought plenty of friendly competition, score checking and questionable football knowledge. The highlight, however, was Nichola deciding that DR Congo was actually Doctor Congo. No amount of explaining changed her mind, so naturally we brought him to life with a little help from AI.

Even Kira joined the squad, although she was probably more interested in chasing the ball than the results.

The Answers Are In!

A huge thank you to everyone who entered our iconic venues competition. Number 2 certainly caused the most head-scratching!

1. ExCeL London
2. NEC Birmingham
3. Edinburgh Castle
4. Glastonbury
5. The O2, London
6. Old Trafford, Manchester

We originally planned to choose one winner, but perhaps it was the sunshine, the football, or simply the boss feeling generous. Whatever the reason, we decided that one box of doughnuts just wasn't enough!

Congratulations to our two winners!

Sam at CeX Ltd

Rhys at Hawthorn & Kent

Enjoy your doughnuts! 🍩
